

# FLORA ROSATO

You know that the Flora Prosecco is for the aperitivo, we'll the Rosato Prosecco is for sun-kisses and dancing! Glera grapes, and a kiss of the dar-violet-spicy Raboso grape give a brambly wine with just enough attitude. This is the traditional col fondo style, and you'll notice a bit of 'fondo', or sediment, in the bottle. Keep dancing!

FUSO...characterful daily drinkers from our producer friends in France and Italy!
