

Le SALSE

VERDIKCHIO DI JESI

Verdicchio is one of Italy's great white grape varieties. Brisk and refreshing; orange rind, green apple, savoury. The citric backbone and length can be attributed to the high elevation of the vineyards at 400-500 meters; mineral tension come from the limestone and clay soils, with a high mix of calcium carbonate. Let's say it together: [Joe] "Pesce!"

FUSO...characterful daily drinkers from our producer friends in France and Italy!
